**Alcohol:** All beer and wine must be served by a licensed bar tender. At The West End you are required to use Powers Oregon Company for this service and must purchase beer and wine from Powers Oregon. At our winery locations the above rates include the beer service in the tasting room and you can bring in your own beer.

**There are no beverage minimums with any of our sites unless you bring in your own wine (wineries only).** We can also provide you with a bar tender for \$100/hour (this includes all travel costs, tips and insurance and all bar rentals, cups, glasses, etc). Bottled beer is required at all sites.

**Catering:** We require you to use our in house chef for catering. This rule is somewhat flexible so please ask. This service is complete and includes all needed dishware, flatware, cup ware, staffing, food set up and tear down. Our rates are very competitive as we are familiar with each site. Rates start at about \$10 per person.

**Event Planning:** Our in house chef will work with you to plan the timeline and design of your event. We provide event day staff when necessary.

**Overnight / Other:** Many of our facilities provide overnight options. Be sure to ask!
